

RECOMMENDATION LETTER OF REAL ENGLISH CENTER

It is my pleasure to introduce to you, Mr. Salih TEKİN, a highly valued teaching member of our company Bentego. His assignment has been with fifteenth-year adults of varying abilities. Mr. TEKİN is, in my opinion, a truly gifted educator. He quickly develops a good rapport with his students, establishes solid routines, and employs consistent and fair practices in his online classes. Our employees including me have been taking classes from his company Real English Center for 2 years.

Mr. TEKİN took an active interest in the well-being of each of his students. The employees of Bentego company responded well to his engaging approach to education and genuine interest in them. Under Mr. TEKİN's guidance and encouragement, his students consistently realized measurable gains.

As a teacher and a coordinator, he has been pleasant and cooperative. He has a delightful sense of humor and he contributed much to the students and team members, both professionally and socially.

It has been my pleasure to be working with Real English Center. REC has hardworking, well-organized, committed teachers who have given much to our employees. The teachers enjoy the respect of our employees and Bentego administration.

I am pleased to recommend Real English Center without reservation, for any language learning needs requiring hard work, initiative, loyalty, and dedication. Please contact me if you need any further information.

Yours truly,

Su Boysal
