

## Reference Letter Mr. Salih TEKİN

This letter is a recommendation for Mr. Salih TEKİN,  
an outstanding translator for Magna International Inc.

I write this letter of recommendation for Mr. TEKİN because of the exceptional quality of his work as a Translator for our Company. He has been translating for our organization for over a year and a half as a lead member of our Turkish Translation Team that is charged with handling some of our major projects.

I would like to say something in regards to his professional competence. Mr. TEKİN is vigorous and meticulous in insisting on exact meanings for words, in both languages. He also understands that words are, at best, symbols for expression. Thus, he is capable of more than literal transposing from English to Turkish and vice versa. While his command of spoken English is more than adequate for any business/technical situation, Mr. TEKİN's strongest ability is certainly in written and verbal translation. He will excel in literary, technical, business or diplomatic applications of translation between Turkish and English. If you are looking for an intrinsically motivated translator for your documents, journals, manuals or correspondence, Mr. TEKİN is someone well worth full consideration.

At the same time, I would like to recommend him as a strong organiser and coordinator for his subordinates, both strong in control function and in motivating his own team members. It is always a pleasure for me to get his support for our projects.
