

RECOMMENDATION LETTER FOR REAL ENGLISH TEACHER EDDIE

I am honored to write this letter of recommendation for Mr. Eddie Kargili. He has been an outstanding Native English Teacher here at Pimsa Automotive Company on behalf of Real English Center for the past one year. I highly recommend Eddie for the position of Native English teacher at your institution and assure you he would be an enthusiastic teacher of the highest caliber should you choose to work with him.

Eddie possesses superior verbal and written communication skills along with a great love for the English language. He has taught English to B1, B2, C1 and C2 students by encouraging them to think about English in real world examples such as practicing writing resumes or interviews in the online classes. In addition to teaching students the concepts and skills that they will need to achieve high scores on standardized and advanced placement tests, he teaches the seniors practical skills such as resume writing techniques, job interview skills. He has taught business English called Tailor-made English such as Restaurant English, Finance English, Hotel and Reception English, Airport English at our company. He is exceedingly popular among the students having voted Native Teacher of the Year by the student body twice during his tenure here.

I am happy to recommend Mr. Eddie Kargili for the available teaching position in the English Department at your company. I hope that you will seriously consider his application and take the time to see his demo class. I am confident that you would not be disappointed should you decide to take classes from Real English Center.

Warm Regards,
